1999 Report to Our Communities**

**Celebrate a Century  
of New Opportunities**

CREATING  
THE RESOURCES

The Alexander & Baldwin Foundation is a business-funded charitable organization which makes grants on behalf of its funding sources: Alexander & Baldwin, Inc. and its subsidiaries.

Alexander & Baldwin, Inc.

Matson Navigation Company, Inc.

Matson Intermodal System, Inc.

**Matson** Matson Logistics Solutions, Inc.

Matson Services Company, Inc.

Matson Terminals, Inc.

Hawaiian Commercial & Sugar Company

A&B Properties, Inc.

Kauai Coffee Company, Inc.

Kukuiula Development Company, Inc.

Kauai Commercial Company, Inc.

East Maui Irrigation Company, Limited

Kahului Trucking & Storage, Inc.

Directing the Resources

A&B Foundation Leadership

Management from A&B and its major subsidiaries devote considerable time to the leadership of the two geographically-oriented committees, in addition to their ongoing business responsibilities.

\* Service completed in 1999

It's rare that a company sees an entire century come and go. Most fail to meet the challenges which also come and go. For more than a century, Alexander & Baldwin has held fast to the idea of making opportunities out of challenges, and has succeeded.

This same philosophy carries over to our A&B Foundation. Our vision is of ever-stronger communities, even in the face of ever-present challenges. Our mission is to be a successful provider of goods and services and of quality jobs; this enables us to help our communities meet their challenges.

In meeting our mission, we achieve our vision of stronger communities.

In the past year, more than \$1.3 million was donated through the A&B Foundation to charities which meet timeless challenges for food, shelter, and clothing, as well as to those who meet needs unheard of a century ago. During the year, as well, A&B employees gave their time and personal monetary donations to their favorite not-for-profit organizations in their communities.

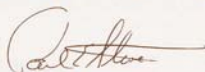

Please take a few minutes to read this Report to our Communities. It celebrates the hundreds of ways in which the A&B Foundation's leadership has directed resources to help our communities throughout Hawaii and on the West Coast to meet their challenges. And, it celebrates A&B's continuing commitment to a time-honored idea of viewing challenges as opportunities.

W. Allen Doane

## CELEBRATE A CENTURY OF NEW OPPORTUNITIES

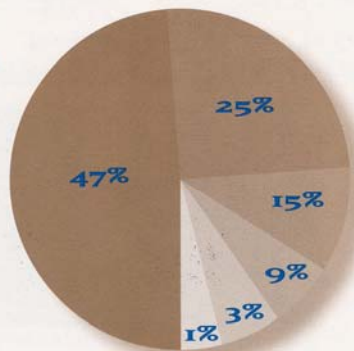

# CELEBRATE

- Oahu 49%
- Maui 26%
- Northern California 11%
- Kauai 7%
- Other Mainland 5%

## A Report On 1999 Donations

- Health & Human Services 47%
- Education 25%
- Culture & Arts 15%
- Community 9%
- Maritime 3%
- Environment 1%

During 1999, the A&B Foundation granted more than \$1.3 million to help our communities meet their challenges. Charities within the State of Hawaii were granted roughly \$1.1 million; West Coast and other mainland charities received about \$200,000.

Within Hawaii, charities on the island of Maui received nearly \$350,000; A&B has about 1,000 employees and significant assets on Maui. Oahu-based charities (which often serve a state-wide constituency) received about \$650,000; A&B has roughly 400 employees and its corporate

headquarters on this island, which also is home to 80% of the state's population. Kauai, home to about 140 employees, received nearly \$100,000. Worthy causes on the Big Island and in the Pacific Islands (including Guam and Palau) together were granted \$25,000.

In the Bay Area, where nearly 200 of A&B's employees live and work, more than \$140,000 was granted to local charities. In the Pacific Northwest, Southern California, Phoenix and across the nation, another \$60,000, in total, was received from A&B by a variety of non-profits.

## SUSTAINED OPPORTUNITIES to make a difference

A&B knows that sometimes the greatest challenge is to find food, shelter, clothing or medical assistance. Accordingly, our most enduring support is directed to life's basic needs, provided in part by the hundreds of health and human service agencies which make up the United Way network in Hawaii and on the West Coast.

A&B ended the century with our funding for the United Way comprising the bedrock of our community support.

Thirty percent of our Foundation's annual support is directed to these United Ways – and through them, to the communities they strengthen.

Nearly \$400,000 in total is directed for these agencies' operating needs, along with additional special project or capital support to member non-profits.

## NEW CHALLENGES, NEW OPPORTUNITIES TO HELP

**\$10,000 – Filipino Community Center, Oahu**  
Early in the century, hundreds of Filipinos emigrated to Hawaii to be sugar workers; today, Filipinos represent nearly fifteen percent of the state's population. Their challenge – to retain cultural traditions amid a multi-cultural society – led to a Center, supported by A&B, where all ethnicities can gather.

### **\$5,000 – Friends of the Maui Drug Court**

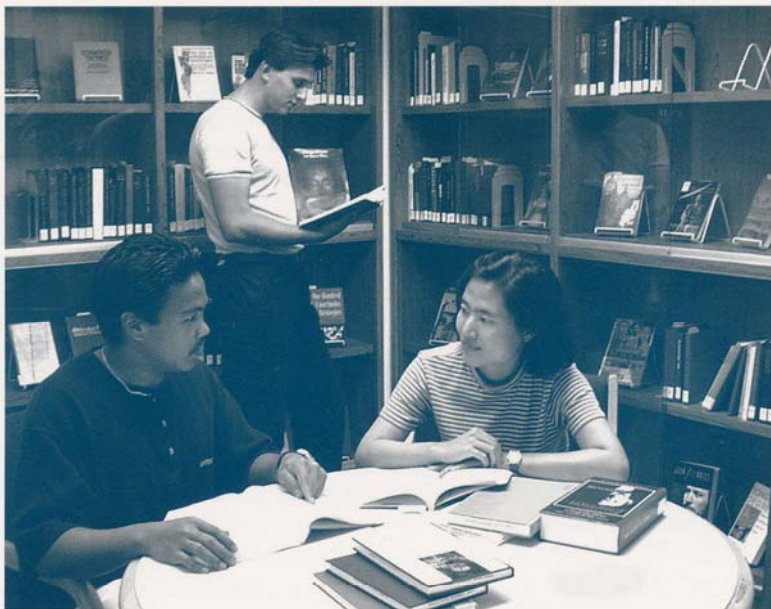

A&B learned that an effective – and cost-effective – alternative to the centuries-old problem of substance abuse was seeking start-up support on Maui. This alternative to incarceration has the potential to help hundreds of Maui residents to end addictions – an opportunity well worth supporting.

### **\$5,000 – Military Aviation Museum of Hawaii**

Key historical events in U.S. military history occurred in Hawaii this past century; veterans and active duty military still contribute greatly to our community's well-being. The A&B Foundation recognized the opportunity to honor our nation's aviators and stepped forward early in this effort to establish a museum in their honor.

### **\$5,000 – Koloa Elementary School, Kauai**

New Federal playground safety standards – an unheard of concept a century ago – presented a challenge to this small school which needed to replace or refurbish practically all of its playground equipment. A challenge grant from A&B, matched by community support, helped to make their playground fun and safe.

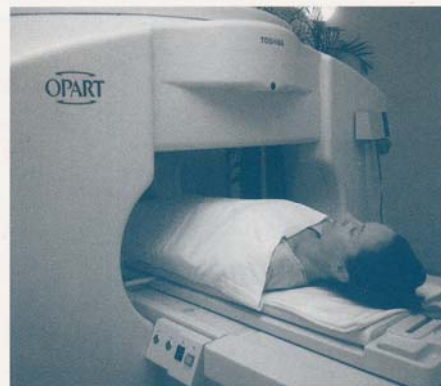

**\$30,000 – Hawaii Pacific University, Oahu**

HPU is Hawaii's largest private university, founded 35 years ago, which has grown to meet the needs of a community eager for higher education options. Serving nearly 8,000 students, HPU sought Federal funding to expand its Humanities library and A&B helped the university meet the challenge of local funding, with generous support.

**\$33,000 – Wilcox Hospital, Kauai**

On this small island, more than 50,000 residents and two million annual visitors rely on the Wilcox Hospital for their routine and emergency medical needs.

A&B helped bring the diagnostic and treatment miracles of MRI, ultrasound, and nuclear medicine to this growing community.

## A&B EMPLOYEES

The 2,033 employees of Alexander & Baldwin and its subsidiaries play an important role in strengthening their communities. One way is through volunteer efforts; another is via personal donations. We are proud to recognize their generosity.

### United Way

During 1999, employees' personal donations to United Way in their communities totaled close to \$160,000. These funds are in addition to the Foundation's support, and provide for the needs of hundreds of health & human service agencies in Hawaii, on the West Coast and in Arizona.

### Matching Gifts

Employees, retirees and directors can make personal gifts to trigger dollar-for-dollar matching gifts from the A&B Foundation. In 1999, more than \$77,700 was initially donated by caring individuals to their favorite charities, with those dollars matched by the A&B Foundation.

### Education

In 1999, \$56,895 was donated by alumni, parents and friends to 110 separate preschools, elementary and secondary schools, colleges and universities in Hawaii and on the Mainland. The geographic areas primarily benefiting were Oahu and Northern California. The largest category of beneficiaries was colleges and universities, which received \$36,035; gifts to secondary, elementary and preschools totaled \$20,860.

### Culture/Arts

Devoted supporters made 138 gifts to 61 fortunate cultural/artistic organizations, and a total of \$20,809 was matched. Geographically, Oahu and Northern California top the list. Within this category, our donors' priorities (ranked by dollars) include libraries and museums; theatrical and dance groups; public radio and TV; symphonies and musical groups; and zoological and botanical organizations.

## TOP TEN LISTS

### Educational Recipients of matching gifts

University of Hawaii  
Punahou School  
Hanalei School  
University of California, Berkeley  
University of Pennsylvania  
Claire Lilienthal Elementary School  
'Ahaione Koa Anuenue  
University of Chicago

Hawaii Public Television  
San Francisco Ballet  
Maui Arts & Cultural Center  
KQED  
The Festival Opera  
Hawaii Youth Symphony Association  
Delaware County Cultural Arts Center  
Asian Art Museum Foundation

## GENERAL GUIDELINES

---

The Alexander & Baldwin Foundation supports qualified not-for-profit organizations which benefit communities where A&B companies operate or where A&B employees reside.

### ELIGIBILITY:

Organizations seeking support must have IRS Section 501(c)(3) tax-exempt status. The Foundation does not support individuals; scholarship programs; sporting events; travel expenses; secondary giving; political, religious, fraternal, veterans or labor organizations. The Foundation generally does not provide additional operating support to individual United Way agencies.

### TIMING:

For prompt consideration, materials must be received by the 15th of the month prior. Meetings are held every other month (January, March, May, etc.).

The Foundation's Contributions Committees are geographically focused, and each considers requests from organizations located in its respective areas. For more detailed guidelines and to request information, see our website at [alexanderbaldwin.com](http://alexanderbaldwin.com); write or call:
